

How to dispose of used/unwanted PRINTER CARTRIDGES

The Facts that Concern You

Keep legal, keep green, with Office Green

Office Green Technologies provide a complete recycling service for printer cartridges* from collection and valuation, to providing a full audit trail to help you achieve maximum compliance with all environmental and waste regulations including:

- **Duty of Care Legislation**
- **Hazardous Waste Regulations**
- **ISO 14000/14001 Compliance**
- **WEEE Directive**

Environmental impacts:

- ▶ **50 million inkjet cartridges** and **10 million laser cartridges** were used in the UK in 2003
- ▶ Over **25 million litres of fossil fuel (oil)** were consumed in their manufacture
- ▶ **Less than 20%** of these products were recycled
- ▶ Printer cartridges can take **1000 years** before decomposition begins

In partnership with Beta Distribution - national distributors of fax, printer, copier, multi-functional devices and consumables. Working together to help you fulfil your responsibility to recycle waste correctly

What Office Green do:

- Collect your used cartridges and deliver them to our recycling centre
- Individually check your products to ensure they are intact
- Despatch cartridges that are broken or redundant to other industries for use as raw materials or for further recycling
- Supply the empty cartridges to remanufacturers who turn them into new 'compatible' laser/toner and inkjet cartridges
- Issue you with a Duty of Care Waste Transfer Note to help you comply with your legal and environmental responsibilities
- Provide copies of our Waste Carrier Licenses
- **Issue you with a collection value for you to claim or donate to the charity of your choice**

*We offer FREE collection and recycling for printer cartridges & mobile phones (ask for our **current list of items that we pay for** or collect for free, or download from website) and a tariff service for the safe collection and disposal of IT equipment and fluorescent tubes. For more information on all services please visit www.officegreen.co.uk or call our hotline **08700 50 20 50**.
